

Greater Albany Public Schools--Long-Range Facility Planning

Workshop 3 – District Wide Buckets

Mar. 31, 2015

AGENDA

Re-Cap Introductions and Work From Last Meeting —DFAC Co-Chairs

Auditorium Committee Report Out — Committee Chair

Analysis and proposed option(s) for development of a District Performing Arts Venue(s)

Information Regarding District Music Instrument Inventory — Committee Chair

Analysis and proposed option(s) for addressing music instrument inventory

District Prioritization Report Out — Doug Pigman / Tonja Everest

District's prioritization of capital repair needs based on gLAs report as well as additional thoughts regarding instructional priorities.

District-Wide Project "Buckets" —DLR Group

A grouping of like projects and associated approaches and budgets

Small Group Sessions—Open

Each group discusses and outlines a plan / framework that addresses district-wide and school specific needs based on their knowledge of community issues and goals – spending one hour on this and no report out – will continue this same discussion over a subsequent meeting and report out then – stay in same groups both evenings.
