Step 2 LOOK at the word.

Find any prefixes, suffixes, or other word parts you know. Try to picture the word in your mind. Think of another word that is related in meaning and spelling.

Step 3 SPELL the word to yourself.

Think about the way each sound is spelled. Notice any unusual letter patterns.

Step 4 WRITE the word on paper.

Check the way you have formed each letter. If you have not written the word clearly or correctly, write it again.

Step 5 CHECK what you have learned.

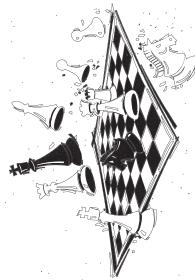

Cover the word and write it. If you cannot spell the word correctly, practice these steps until you can write it correctly.
