

COME TO THE
OAK GROVE ELEMENTARY
SCHOOL CELEBRATION

We are excited about the “new” Oak Grove, but would like to take time to honor the “old” Oak Grove with a special celebration. Oak Grove was originally built in 1860, with many remodels since that time—but the school will be demolished this coming June to make way for a school that can better support our growing community. Many, many families and friends have been a part of this wonderful school community in the last 158 years!

We will begin our celebration at 6:00pm with a brief history, share memorabilia (including photo books dated back to 1976) and offer the opportunity to roam the halls/classrooms and reminisce about some of the good old days. **Please join us, and reach out to others who may have attended, been staff, or family!** For more information, or to share something about Oak Grove’s past, call 541.967.4596 or email pat.bailey@albany.k12.or.us.
