The Oregon Legislature passed and the Governor signed the \$2 billion Student Success Act (HB 3427), a historic and much needed investment in K-12 schools. Greater Albany Public Schools could be able to access an estimated \$5.5 million per year through a state application process.

We want to be sure to invest these resources in alignment with our community vision. In conjunction with a new Strategic Plan, input from parents, teachers, staff, students, and the community at large will shape the future of Greater Albany Public Schools!
