

Greater Albany Public Schools Community Engagement Survey

Greater Albany Public Schools is excited to hear from you! We want to know your thoughts about our district and our schools. We are seeking your feedback and input as we sculpt our next 3-5 years of work as a school district. Through the investment made possible by the passage of the Student Success Act, we will be receiving additional resources beginning July 1, 2020. This is the time for us to work together to shape our future for our students. Thank you for taking the time to complete the following survey questions. We will be collecting demographic data as a part of the survey, as we are holding ourselves accountable to the commitment of listening to the thoughts and ideas from all the diverse groups that we serve.
